COMPANY INTRODUCTION

PACAMA Company Limited specializing in export – import of fresh and frozen fruit.

Our company was established in 2019 and is engaged in the growing, packing and exporting key fruits such as: Durian, Mango, Jackfruit, Pomelo and Coconut by air and sea from Vietnam to overseas countries (Taiwan, Australia, Japan, UAE, Netherlands, China).

We have 500 hectare - jackfruit farm, more than 100 supply source of individual growers engaged in the growing of Durian in Central Highland of Vietnam to fulfill export consignments.

The company adopts Good Agricultural Practices (GAP) and Food safety measures across all its contract farms/growers and conducts stringent quality control and inspection of the procedure before it is graded and packed for export.

Fruits are sorted, inspected, graded and packed in their own packing house. The packing house is equipped with one cold room built adjoining to the packing area for pre-cooling and cold storing of the procedure after packing prior to export. Our packing house meets and fulfill the requirements and export specifications.

Last but not least, we do wish to welcome all of our customers who care about fresh & frozen fruit from Vietnam. Let us serve you in anytime and together bring Vietnamese fruits to the world.
