About Us

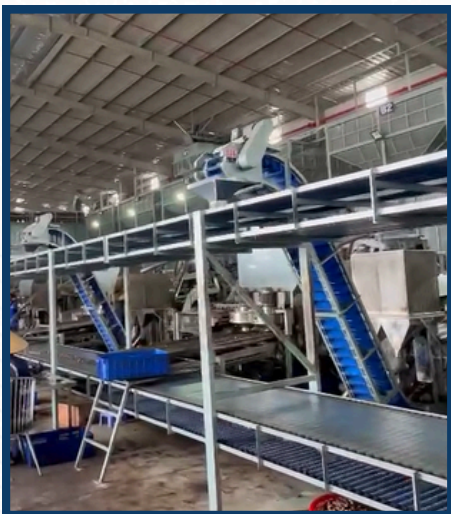

Vietprime Global Co., Ltd. is a Vietnamese sourcing partner specializing in premium cashew kernels and value-added cashew products for importers, distributors and food brands worldwide.

Managing the supply chain from Raw Cashew Nuts (RCN) to finished export products, we ensure consistent quality, transparent traceability and reliable supply capacity. Working with carefully selected processing partners and abundant raw material sources, we provide flexible solutions tailored to the technical requirements of each market.

Every batch is strictly inspected — from the purchasing of inputs to the finished product — under a rigorous quality management system using non-chemical sterilization methods, providing clean and safe food to consumers.

Whether you are looking for bulk cashew kernels, OEM & Private Label solutions or customized packing specifications, Vietprime Global is committed to delivering professional service, competitive pricing and long-term partnership for customers around the world.

Please contact us for more information and receive a precise, fast quotation tailored to your requirements.

OUR COMMITMENT

01

Consistent Quality

Strict quality control of moisture, defects, color grade and kernel count to ensure consistency in every shipment.

02

Reliable Execution

On-time delivery, contract compliance and responsive support throughout every stage of cooperation.

03

Flexible Solutions

FOB, CFR, CIF, OEM/Private Label, customized specifications and packaging tailored to market requirements.

04

Premium Products

A comprehensive product portfolio ranging from premium cashew kernels to value-added cashew products.

05

Transparency & Partnership

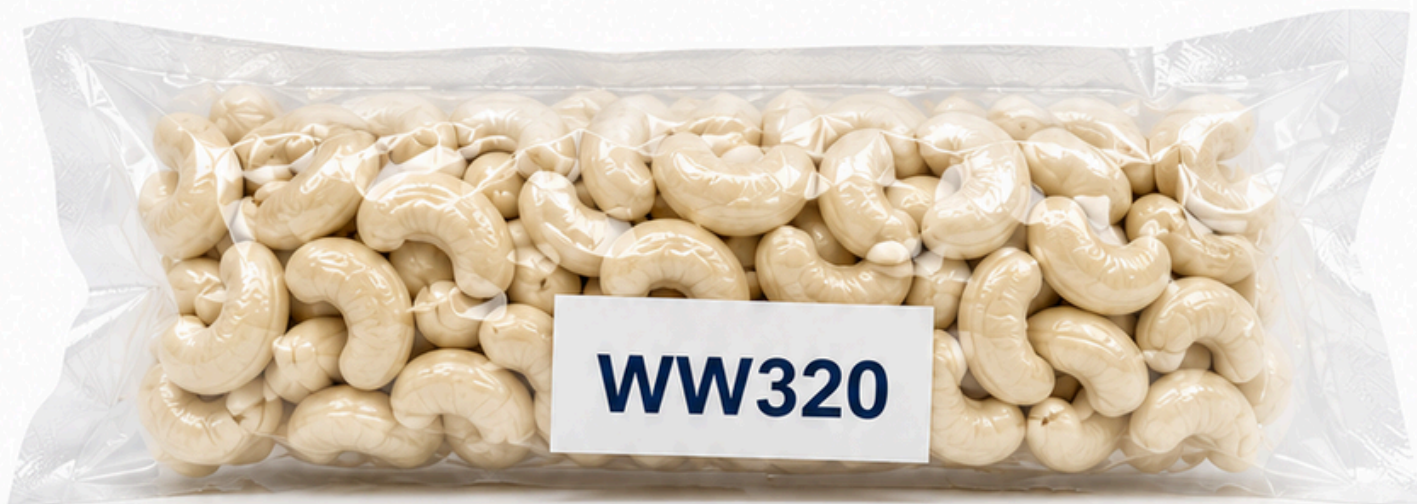

Live shipment tracking, pre-shipment inspection and dedicated after-sales support for long-term business partnerships.

Product Portfolio

Vietprime Global supplies a comprehensive range of premium Vietnamese cashew kernels and value-added cashew products. All products are manufactured in accordance with AFI standards or customized to meet buyers' specifications.

Standard quality includes **Moisture $\leq$ 5.0%, Broken $\leq$ 5%, Lower Size Grade $\leq$ 10%, and Total Defects $\leq$ 10%**, or as agreed with customers. Origin: Vietnam.
